MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Office of Personnel Report - Week Ending 25 June 1971

25X1A

1. Appointment of Agency Personnel in the Competitive Service: On Thursday, 24 June, [REDACTED] met with Messrs. Stanley Berg, Sam Wolk and Mrs. Yancy of the Civil Service Commission to brief the CSC team on the Agency's personnel operations and to respond to any questions concerning our classification, recruitment and merit promotion systems. Our interest in this briefing was to convince the Civil Service Commission that they should ask the President to sign an Executive Order granting Agency employees after three years of service the right of being appointed to positions in the competitive service. We have been studying this issue off and on since 1957 and reconsidered it most recently in 1968 when Department of State employees were granted this privilege by Executive Order. The meeting went very well and we now wait to see if they have any further questions.
